Re: UEMS donation for Ukraine

Dear Representatives of National Medical Associations,
Dear Presidents and Secretaries of UEMS Sections & Boards, MJC's and TFs,
Dear Colleagues,

Following the call from the UEMS Enlarged Executive to Sections & Boards, MJC's and TFs to donate 0.25% of their funds to our Ukrainian colleagues, we are delighted to inform you that we have raised €20,000. We would like to express our warmest thanks to all those who contributed their funds.

Please note that we will be transferring the donation to the Polish foundation Doctors for Doctors (Fundacja Lekarzy Lekarzom), which is part of the World Medical Association (WMA) consortium and has great experience in directing funds to Ukrainian hospitals and in supporting Ukrainian doctors. Thanks to that, we are joining the WMA, the CPME, the EFMA and the coalition of organisations supporting Ukrainian healthcare.

Please, do not hesitate to contact us should you require further information.

Sincerely yours,

Prof. Vassilios Papalois
UEMS President

Dr João Grenho
UEMS Secretary General
